

AVIVA BIDET

MUCH BETTER HYGIENE & CLEANING

Practical way to achieve better hygiene, providing a sanitary and soothing alternative to toilet tissue. Less wiping of sensitive genital and rectal areas is cleaner and means less irritation.

SIMPLE TO ATTACH

Easily attached to your present water supply. It does the work of a stand-alone bidet without the high price and bulky fixture.

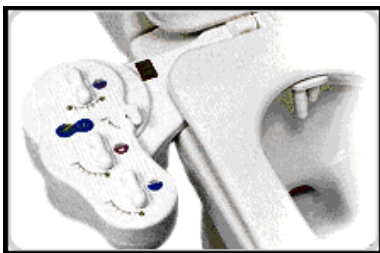

BENEFITS FOR THE WHOLE FAMILY

General Cleansing • Hemorrhoid Sufferers • Potty Training • Menstrual Cycle • Yeast Infections • Diarrhea • Physically Challenged • Constipation • Obese • Vaginitis • Muscular Dystrophy • Multiple Sclerosis Arthritis Sufferers • Irritable Bowel Syndrome • After Surgery • Back Problems • During and After Pregnancy • Cystitis • Rashes • Irritation • Infirmity

Dramatically improves hygiene and minimizes irritation in cases where the area is sensitive due to something as common as diarrhea or as serious as a post-operative condition. Gently does a better job removing waste and paper residues that can cause or aggravate a sensitive condition. The time has come to make your move for a cleaner, healthier life. Try a bidet!
