

Waste and Resource Solutions

Tailored protection for the waste and recycling industry

The waste and recycling industry faces complex risks, making it challenging to find an insurer you can trust to protect your business. This program offers reliable protection from an insurer that understands the industry's challenges - and is committed to sustainability.

It takes you. It takes a partnership. It takes Aviva.

Aviva's Waste and Resource Solutions program provides specialized coverage and industry knowledge.

Here's what sets us apart:

› Risk engineering support

Our recycling industry clients have access to specialized loss prevention resources provided by Aviva's Risk Management Solutions (ARMS) team. Our experienced team helps proactively identify, evaluate, and control risk to help enhance business resilience.

› Domestic capacity

Our experience with the recycling industry provides stability for our customers, and our product offers the capacity of a leading market.

› Customized solutions

We offer adaptable coverage tailored to your specific operations and risk profile.

› Expert claims service

Our claims team has in-depth market knowledge of the recycling industry. Their expertise helps ensure fast, fair handling of multi-faceted claims.

Eligible businesses*

- › Recyclers (scrap metal, paper, plastic)
- › Bin rentals
- › Transfer stations
- › Garbage collection (residential and commercial)
- › Waste handling and disposal

Available coverages:

We recognize and welcome the unique exposures inherent in this industry and offer Property, Liability, Auto and Equipment Breakdown coverage for risk managed accounts.

About Aviva's Global Corporate & Specialty division

The Waste and Resource Solutions program is a part of Aviva's Global Corporate & Specialty (GCS) division. This division offers innovative, flexible insurance and risk management solutions for large corporate and commercial clients. Our specialists understand your business values, people, and vision, designing tailor-made solutions that align with business needs in Canada and globally.

- › Aviva's AA- S&P Rating and positive outlook for the future provide confidence in our ability to fulfill our commitments.
- › At the core of our offering is a prevention-first approach that combines technological innovation with risk management to focus on the specific needs of the clients.
- › Our tailor-made, client-centered approach throughout the entire claims process, helps ensure that GCS clients and brokers get the right support from the right people, every step of the way.
- › A strong defensible claims philosophy that aims to support, protect, and defend our clients.
