GCS Renewable Energy

Sustainable solutions for the next generation of power

A tangible expression of Aviva's net zero commitments, Global Corporate & Specialty (GCS) has expanded their appetite to deliver focused Corporate Risk expertise directly to commercial and corporate businesses in the renewable energy sector. Backed by a dedicated insurance partnership with renewable energy producers in the Canadian marketplace, our Corporate Risk team is empowered to consider and underwrite broker submissions for power generation risks.

GCS Renewable Energy

A sustained commitment to net zero

Determined to ensure a better tomorrow, GCS is consciously supporting the carbon reduction effort. Our Risk Consultants are dedicated to help our clients balance energy use and production in the effort to achieve both Canada's and the globe's climate targets.

Who is eligible for GCS Renewable Energy solutions?

Large corporate entities engaged in energy capture, production, and storage through:

- › Wind
- › Solar
- › Battery storage systems
- › Geothermal
- › Cogeneration
- › Hydroelectric
- › Biomass/biofuel

Coverages available

- › Property
- › Casualty
- › Equipment breakdown

GCS Renewable Energy – capabilities

- › Sector-focused, in-depth knowledge and expertise
- › Local authority/decision makers
- › Deliver sector-focused underwriting
- › Dedicated actuarial, claims and risk management services
- › Product offering that includes the ability to insure and/or participate on Primary, Self-insured Retentions, Excess, Fronted, Captives and Umbrella policies

Building sustainable partnerships

We foster best-in-class client, broker, and insurer relationships demonstrating, with every interaction, the highest level of customer knowledge and account understanding. Our stewardship is the unparalleled professionalism that GCS brings to each partnership.

It takes Aviva

- › Aviva's AA-S&P Rating and positive outlook for the future provide confidence in our ability to fulfill our commitments
- › At the core of our offering is a prevention-first approach that combines technological innovation with risk management to focus on the specific needs of the clients. Our Risk Consultants provide GCS clients with forward-thinking strategies designed to identify and analyze exposures, reduce risk, and prevent claims from occurring
- › Our tailor-made, client-centered approach throughout the entire claims process, ensures that GCS clients and brokers get the right support from the right people, every step of the way
- › An industry-leading Defensible Claims philosophy supports, protects, and defends our clients when a claim that lacks supporting evidence is brought forward
- › Our Technical Underwriters, with their expertise in tailored deal structures and the capability to offer extensive coverage capacity, provide innovative, accounted, insurance solutions for a broad suite of corporate and commercial risks
