Political Violence and Terrorism

Navigating an ever-evolving geopolitical landscape

Acts of violence, terrorism, and civil unrest can cause significant disruption and distress for international businesses. Unfortunately, the number of violent conflicts around the world is at its highest level since the end of the Second World War¹.

With our Political Violence and Terrorism (PVT) solution, our experienced and dedicated team will craft tailored solutions to help businesses navigate and protect against an ever-evolving geopolitical landscape.

Our coverage

Our PVT solution has been designed to protect businesses against Property Damage and subsequent Business Interruption for worldwide exposures (excluding sanctioned territories).

We provide cover for:

- › terrorism and sabotage
- › strikes, riots, civil commotion, and malicious damage
- › insurrection, revolution, rebellion, coup d'état, and mutiny
- › war and civil war.

Limits

Generous limits of up to **\$250M CAD per risk** available.

Who is this product suitable for?

We have a wide-ranging appetite, considering a variety of occupancies. These include, but are not limited to:

- | | |
|--------------------------------------|------------------|
| › agriculture | › hospitality |
| › amusement | › manufacture |
| › business and professional services | › oil and gas |
| › construction | › realty |
| › education | › retail |
| › government | › transportation |
| › health | › utility |
| | › wholesale. |

Why Aviva?

- › Canadian offering supported by **global centre of excellence with decades of experience**, delivering complex and tailored PVT solutions for international businesses.
- › **Customized wordings** written on a stand-alone basis.
- › **Multinational capability** supported by a trusted network of partners across 170 global territories, enabling locally compliant insurance solutions.
- › **End-to-end claims support** with clear accountability for Canadian insureds, supported by global claims expertise. For more complex risks, we will work alongside businesses to design a claims procedure in advance of a major loss to avoid any delays.
- › **Tailored risk management and prevention services** help businesses find, assess, and measure their risks to create a safer and more robust business.

About Aviva's Global Corporate & Specialty Division

Aviva's Global Corporate & Specialty (GCS) division offers innovative, flexible insurance and risk management solutions for large corporate and commercial clients. Our specialists understand your business values, people, and vision, designing tailor-made solutions that exceed expectations in Canada and globally.

Operate outside of Canada? Aviva's GCS division also supports multinational businesses offering expertise across global operations to meet complex regulatory and risk management needs.

It takes Aviva

- › Aviva's financial strength rating of 'AA-' by Standard & Poor's demonstrates our strong standing within the industry and our long-term commitment to our clients and brokers.
- › Our client relationship managers bring together a holistic view of GCS accounts by providing a deep understanding of the client's business and supporting the delivery of focused solutions, services and insights.
- › At the core of our offering is a prevention-first approach that combines technological innovation with risk management to focus on the specific needs of the clients.
- › You will receive the support of our Technical Underwriters, with their expertise in tailored deal structures and the capability to offer extensive coverage capacity, provide innovative, account led, insurance solutions for a broad suite of corporate and commercial risks.
- › Our tailor-made, client-centered approach throughout the entire claims process, ensures that GCS clients and brokers get the right support from the right people, every step of the way.
- › An industry-leading Defensible Claims philosophy that aims to support, protect, and defend our clients.
